Weaver Street Market opened in Carrboro in 1988 and has since grown to become a successful natural foods cooperative with over 14,000 individual and household owners. Each month we print 6,000 copies of our information packed newsletter that is distributed in Orange County at our three store locations: Carrboro, Hillsborough, and Southern Village in Chapel Hill and is inserted early in the month in *The Carrboro Citizen*. Additional distribution throughout the community includes libraries, medical centers and other area businesses. The Newsletter covers a wide range of topics related to food, wellness, health, cooking, local and sustainable agriculture, as well as co-op and community news. Over 25,000 people shop our locations weekly.
